

March 2020 VIP Message

Spring will soon be here. Let's celebrate the return of warmer weather.

Have sisters bring a book or magazine (with their name and telephone number in it) to a meeting and exchange with other sisters. After you finish reading, call up your sister and discuss the contents.

Send a St. Patrick's Day card to a non participating sister and offer her a ride to the next meeting.

Find an old photo of you and a sister that will bring a smile to your faces. Text, email or snail mail it to her with a little note of gratitude for the P.E.O. legacy you share.
